KYC Policy – Sample

FICTIONAL SAMPLE DOCUMENT — created for RAG chatbot testing. These terms are illustrative and are not real lender terms, legal advice, or a credit offer.

Purpose

KYC means Know Your Customer. It is used to verify customer identity and address and to support applicable customer due-diligence requirements.

Identity Documents

Accepted documents may include PAN, passport, driving licence, voter ID, or other officially accepted documents according to applicable requirements.

Address Verification

The lender may request an accepted address document or perform permitted digital/address verification.

PAN

PAN may be required for loan processing and reporting where applicable.

Digital KYC

Digital KYC or video-based verification may be available where supported by the lender and permitted under applicable rules.

Mismatch or Incomplete KYC

If KYC information is incomplete, expired, inconsistent, or cannot be verified, processing may be delayed until the issue is resolved.

End of sample document.
